DETAILED ACTION

Allowable Subject Matter

1. Claims 1-18 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, the prior art of record issued to Duso fails to teach or suggest how to process a media track's metadata to serve multiple clients; particularly, Duso does not teach streaming a media track to multiple clients while using only a single copy of the media track's metadata, with a track module configured to maintain one copy of the metadata in a memory as in claim 5, and similar in claims 11-12 for a computer readable storage medium storing instructions applied the method, and an apparatus comprising a first track of a media program, a first memory, a set of track handle modules for facilitating streaming the media to a different client, and a track module for shared access by the track handle modules as in claim 13 for performing the streaming process and tracking of metadata of the media program for providing portions of the media and locate the portions on the first storage device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
